

# PRODUCT ADVISORY NOTICE

---

KEEPING YOU INFORMED OF PRODUCT CHANGES

---

**To:** All Customers, Sales Representatives and Distributors  
**Date:** March 19, 2026  
**Subject:** Addition of Alternative PCB Supplier for 3K and 3J Standard Products

This Product Advisory Notice is to alert you that Grayhill is adding an additional qualified supplier for the printed circuit boards (PCBs) used in 3K and 3J Gen 1 and Gen 2 standard products.

Our records show that you have purchased at least one of the affected part numbers in the past 5 years.

***Please forward this notification to the appropriate person(s) in your organization.***

## **Description of Change**

Grayhill has approved an additionally qualified supplier for the PCBs used in 3K and 3J Gen 1 and Gen 2 standard products. This change does not affect product form, fit, or function. The additional supplier maintains ISO 14001 and IATF 16949 certifications. Qualification details are provided in attached report VU19-1082.

## **Reason for Change**

These products currently source PCBs from a supplier in China. Adding an additional supplier outside of China creates a more robust supply chain and helps to mitigate any potential sourcing issues.

## **Effective Date**

Products shipped from Grayhill on or after June 1, 2026, may include PCBs sourced from any approved supplier. Grayhill has full batch traceability for the supplier of the PCB on all production batches.

## **Part Numbers Affected**

Affected part numbers are listed on Pages 2-6.

## **Action Required**

No action is required. If further information is needed, please contact your Grayhill, Inc. Sales Area Leader.
