Subject: Addition of Alternative Mounting Clip Supplier for 3KG2, 3JG2 and 3D35 Standard Products

This Product Advisory Notice is to alert you that Grayhill is adding an additional qualified supplier for the mounting clips used in our 3KG2, 3JG2, and 3D35 standard products.

Our records show that you have purchased at least one of the affected part numbers in the past 5 years.

Please forward this notification to the appropriate person(s) in your organization.

Description of Change

Grayhill has approved an additional qualified supplier for the mounting clips used in our Gen 2 standard products. This change does not affect product form, fit, or function. Qualification details are provided in attached report VU19-1078.

Reason for Change

These products currently source mounting clips domestically. Adding an additional supplier in China creates a local source of supply for assemblies built in Grayhill's China facility and diversifies the supply chain to help mitigate any potential sourcing issues.

Effective Date

Products shipped from Grayhill on or after July 1, 2026, may include mounting clips sourced from any approved supplier. Grayhill has full batch traceability for the supplier of the mounting clips on all production batches.

Part Numbers Affected

Affected part numbers are listed on Pages 2-3.
