

PRODUCT ADVISORY NOTICE

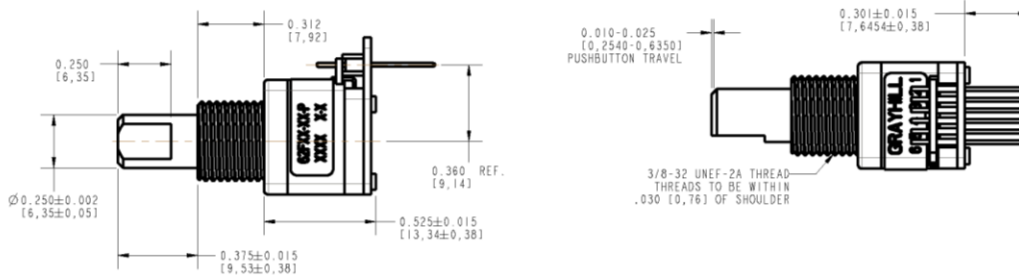

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: All Customers, Sales Representatives and Distributors
Date: March 30, 2023
Subject: 62F Termination Change

Please forward this notification to the appropriate person(s) in your organization.

Description of Change

The pin header termination currently used on the 62F series is no longer available. Because of this, Grayhill will be changing the header used on this series to the Samtec MTMS-106-54-F-S-335. The change to the alternate header will result in a dimensional change to the termination on the encoder as shown in the image below.

Reason for Change

The pin header termination currently used on the 62F series is no longer available.
